The above-identified application became abandoned for failure to file a timely and proper notification of a foreign filing. The above-identified application was filed in Taiwan on November 27, 2002, which set a 45-day period for notification. The abandonment date of this application is January 12, 2003 (i.e., the day after the expiration of the date of the period set for notification). The entire delay in submission of the Notification from the time it was due until its submission was unintentional.

Also, the above-identified application was PCT-filed on March 13, 2003, which set a 45-day period for notification. The abandonment date of this application based on the PCT-filing is April 28, 2003 (i.e., the day after the expiration of the date of the period set for notification). The entire delay in submission of the Notification from the time it was due until its submission was unintentional and caused by the Taiwan filing confusion.
